• [REDACTED], 2020-10-29 09:45:44

https://docs.google.com/presentation/d/1RB4uFprGQtEjmBkk5MLrjU4rZVVrTL01LkLL_TZ86FY/edit#slide=id.ga506638254_0_5

• [REDACTED], 2020-10-29 09:47:02

what should I pay attnction to?

• [REDACTED], 2020-10-29 09:47:40

mostly the timeline

• [REDACTED], 2020-10-29 09:48:03

and the content of the messaging strategy on p4

• [REDACTED], 2020-10-29 09:48:39

essentially plan is to go out with something that talks about Anning but doesn't say whether we will comply or not (just that we won't use IDFA).

• [REDACTED], 2020-10-29 09:49:00

Backchannel with the press to try focus the PR on competition

• [REDACTED], 2020-10-29 09:49:08

(for Apple)

• [REDACTED], 2020-10-29 09:49:18

If it lands, we go with Plan A

• [REDACTED], 2020-10-29 09:49:28

if we land in privacy narratives, we fall back on plan B

- [REDACTED], 2020-10-29 09:49:40

this is good..we should add to deck tomorrow

- [REDACTED], 2020-10-29 09:49:46

yes

- [REDACTED], 2020-10-29 09:49:51

I am using this

- [REDACTED], 2020-10-29 09:50:02

and then going to add more detail on "dreadlines" after phase A

- [REDACTED], 2020-10-29 09:50:10

phase A = initial blog

- [REDACTED], 2020-10-29 09:50:17

the one thing I uncovered yesterday

- [REDACTED], 2020-10-29 09:50:27

and might come up tomorrow if you are talking to [REDACTED]

- [REDACTED], 2020-10-29 09:50:40

it seems as though Android isn't sold on announcing Anning

- [REDACTED], 2020-10-29 09:51:04

can we go thru this together at 5:30pm

- [REDACTED], 2020-10-29 09:51:09

we need to bring them into the conversation more

- [REDACTED], 2020-10-29 09:51:14

yes

- [REDACTED], 2020-10-29 09:51:22

or 5

- [REDACTED], 2020-10-29 09:51:58

just sent you an invite for 5:30

- [REDACTED], 2020-10-29 09:52:10

ok

- [REDACTED], 2020-10-29 09:59:58

Does the new French suit against Apple change our strategy

- [REDACTED], 2020-10-29 10:01:29

I would assume it helps

- [REDACTED], 2020-10-29 10:01:44

the two are very unrelated in that this is about wholesale of hardware

- [REDACTED], 2020-10-29 10:01:48

and the app store

- [REDACTED], 2020-10-29 10:02:10

but on the surface, the story is "Apple's behavior is not healthy for competition"

- [REDACTED], 2020-10-29 10:02:41

it's the kind of tidbit they would add to the articles, like Epic

- [REDACTED], 2020-10-29 10:06:21

what was the eaact suit

- [REDACTED], 2020-10-29 10:06:28

exact

- [REDACTED], 2020-10-29 10:06:42

https://www.cnn.com/2020/03/16/tech/apple-fine-france/index.html

- [REDACTED], 2020-10-29 10:08:09

do you know if our pings are privileged / discoverable?

- [REDACTED], 2020-10-29 10:08:39

we should turn history off
